Terms/Notes - AMA:
Terms/Notes - Storage:
Recall/Reput Desc: Capacity recallable and reput must be taken by replacement shipper

The maximum tariff rate reflected herein is based on the longest possible receipt/delivery zone combination and includes all potential surcharges applicable to such combination.

Williams Gas Pipeline - Transco
Transactional Contracts - Capacity Release
Post Date: 02/11/2025

TSP : 007933021
TSP Name : TRANSCONTINENTAL GAS PIPE LINE COMPANY, LLC

Recall/Reput Terms: If Replacement Shipper utilizes capacity outside of the released path and such utilization causes Releasing Shipper's or other Replacement Buyer's use of primary capacity under or obtained from the releasing contract specified on this release to be cut, Releasing Shipper may recall the capacity. For the purposes of implementing Releasing Shipper's recall rights, Replacement Shipper agrees that Transco is permitted to provide Releasing Shipper the Replacement Shipper's segment audit report related to this released capacity to determine replacement contract utilization outside of the released path.

Terms/Notes:
The following Special Terms and Miscellaneous Notes that apply to the Releasing Contract may or may not apply to the Replacement Contract, depending on the specific terms and conditions of the Release.
